

GRM 2025 Media Policy

Media professionals participating in GRM 2025 fall into two categories:

- Media attending the entire event (including workshop sessions)
- Media covering only the Opening Ceremony

All media must be registered and approved in advance, and must follow the policy below:

1. Registration & Identification

All media representatives must provide their name, affiliation, email, and phone number. This is collected via the online NPP registration form. Media attendees should write “Media” at the beginning of the *Area of Specialization* field.

2. Forms & Confirmation

- Media who will participate in workshops or other GRM events are expected to register as NPPs and must submit and sign the GRM 2025 Media Statement Form.
- Media who will cover only the Opening Ceremony do not need to register as NPPs but must still complete and submit the GRM Media Policy Acknowledgement Form in advance and in any case before attending the event.

3. Fees

Media NPPs are expected to pay the standard NPP fee: £500 per person, or £350 each for three or more from the same outlet.

4. Workshop Access

Media should indicate which workshops they are interested in—ideally no more than four. Entry to workshops is only permitted at the very start of morning or afternoon sessions, or after scheduled coffee breaks. No mid-session entry is allowed.

5. Identification to Directors and Participants

Media must introduce themselves to workshop directors before each session begins. They should also identify themselves to participants at the start of the session—either proactively or at the invitation of the directors.

6. Conduct and Recording

No video or audio recording is permitted during workshops. Media must always wear their badges visibly.

7. No Citation, Quotation , Attribution

No citation, quotation or any other attribution of anything said during the workshops.

8. Interviews

When conducting interviews—whether recorded or not—media must clearly identify themselves and request the participant’s permission beforehand.

9. Sharing

Any piece of information produced from GRM should be shared with hannan@grc.net and grm@grc.net and as well as the interviewed persons.

10. Materials and Access

A short factsheet in English and Arabic about GRM and GRC will be provided to all media. Media will not be given access to submitted academic papers.
